Independent Expert Engineering Investigation and Review  
Panel  
5B - 940 Blanshard Street  
Victoria BC V8W 3E6

**Attention: Dr. Norbert Morgenstern, P. Eng., Chair,  
Independent Expert Engineering  
Investigation and Review Panel**

Dear Sir:

**Re: Information Request**

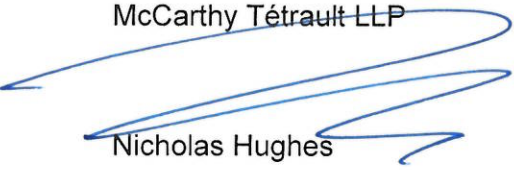

Further to the letter from our client, AMEC Environment and Infrastructure, a division of AMEC Americas Limited, dated September 29, 2014, and our subsequent letters dated October 10, 2014, October 24, 2014 and November 7, 2014, we are writing to provide you with a fifth tranche of documents that may be responsive to your request dated September 8, 2014 (the "**Request**").

Enclosed is a disc that includes supplemental technical memoranda and correspondence (plus attachments) related to the design, construction and operations of the Mount Polley Mine. The disc contains a hyperlinked index for your reference.

We have now completed our review and disclosed all categories of documents sought in the Request. If you would like to discuss any aspect of the foregoing, please advise.

Yours truly,

McCarthy Tétrault LLP

Nicholas Hughes
